Dear Member & Friends of Camanche Hills:

We have had a tragedy within our close knit colleagues here at the club.

Christopher Walters, the 7-year old grandson of Bud Bugni, drowned Friday afternoon at Rancho Murietta.

Our hearts and prayers go out to Bud's family. There are no words to express how anyone can feel in this tragedy.

We are trying to let all of our members/friends know in order to allow you to express your sympathy also.

The memorial service is to be held in Pine Grove at the Calvary Chapel at 11:00 am on Monday, June 27, 2011.

There is also a memorial fund set up in lieu of flowers. Donations can be made to the Christopher Walters Memorial Fund by visiting www.christophersmemorial.org or by contacting any El Dorado Savings Bank making the donation payable to the Christopher Walters Memorial fund.

We have e-mailed the members that we have addresses for and you are welcome to inform us of your e-mail address if you would like to be added to our e-mail address database.

Sending our best to you and yours,
