### To All Gold Star Families

*If I had wings, I would take my chances and fly beyond the sun. I would fly to Heaven's gates and fall there to my knees. I would ask our Lord to hear my plea. I would lay my soul upon His feet and this would be my request. I have lived many years, been blessed with a full life. Please take my soul and in return, allow the young heroes that fell in battle to return to Earth once more. Let them return, if even for just one day for mothers weep as fathers pray. I have heard their cries and felt their tears. Their words have seared my heart. Let farewells be said that were not. Let one more embrace be felt. So to all of you that wear a star of gold, if I only had wings.*
